What we expect of our families...

- If you child is absent, you must contact the office by 8.50am*
- Encourage your child to come to school and be punctual. Emphasise the importance of good attendance.*
- All holidays must be taken outside of term time – we fine parents who do take holidays during school time.*
- All medical appointments should be taken at times that prevent disruption to a child's learning.*
- To be honest and open about their own wellbeing. We want to support you so this does not affect your child's attendance

We reward good attendance but we also challenge poor attendance

Good attendance = better progress, stronger friendships, good habits, happier children!
