

Challenge homework, Year 6, Spr 1

Happy new year! The homework below is set so it allows creativity, conversation and most of all, enjoyment for learning. At the end of the half term, we take a photo of each child with their completed work and this gets stuck into their topic book and we celebrate their extra effort. We recommend that children do one piece a week, or take on a more ambitious project which at times might take several weeks. We look forward to seeing some magnificent homework!

<p>In Ancient Egypt, masks were used for rituals and as death masks. Can you design, or even make, a mask for a particular purpose?</p>	<p>Research a person who has achieved something significant and create a piece of work which highlights their accomplishments.</p>	<p>Find examples of quest stories in books either at home or at a library. Read one and write a 'tweet' after each chapter (either 140 or 280 characters!)</p>
<p>This term, it is important we support each other in getting ready for our SATs. Create a poster with an inspirational quote to encourage your peers.</p>	<p>Look for examples of art which uses light effectively. Can you create your own piece of artwork which does the same?</p>	<p>Build your own tomb for a very important person from Ancient Egyptian times. What detail can you add to tell historians more about your tomb?</p>
<p>Can you design an advertisement for Leeds City museum or another place of your choosing?</p>	<p>Find examples of fractions, decimals and percentages wherever you go. What do they mean? What does it show? This would be great knowledge for your SATs</p>	<p>Does anyone in your family sew or knit? If so, ask them to teach you about different types of stitching. Perhaps you could even do some together.</p>

Remember: please keep reading with your child as often as possible and use the maths facts passport homework sheets to talk about maths and to help your child learn those vital facts. You can find extra guidance on this on our class webpage, including some super reading questions to ask and information on times tables rockstars.
