Hello Year 2

It has been a lovely sunny week but this has not stopped all of you working so hard. I want to take the time to say how impressed I am with all the work I have seen on Class Dojo this week. I am very proud of you all but a big thank you also needs to go to your families at home with you who have been working hard to help you. I know this time is different and it can be difficult especially for adults at home who also need to work at the same time as helping you learn.

My week

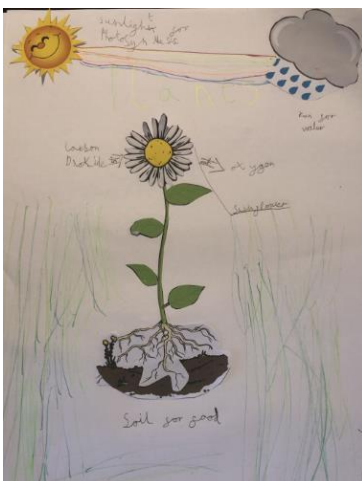

After work and at the weekends I have been decorating my house, it has been a lot of hard work!

At the end of the day I have enjoyed reading my book outside. I have nearly finished this book.

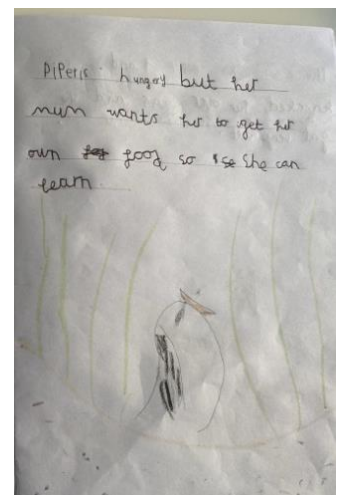

Work to celebrate

As part of our science topic on plants Bethan has made this beautiful plant poster. Well done for this but also all of your work this week including your brilliant book you made.

Well done to Charlotte for this brilliant drawing. This formed part of your book created this week for English inspired by the short animation Piper.

A section of writing by Rayyan from his book called Piper. Rayyan worked hard to add more expanded noun phrases, year 2 words and conjunctions into his story. Well done.
