Hello Year 2

I have again been so impressed with the work from this week. You are all doing so well in such different circumstances.

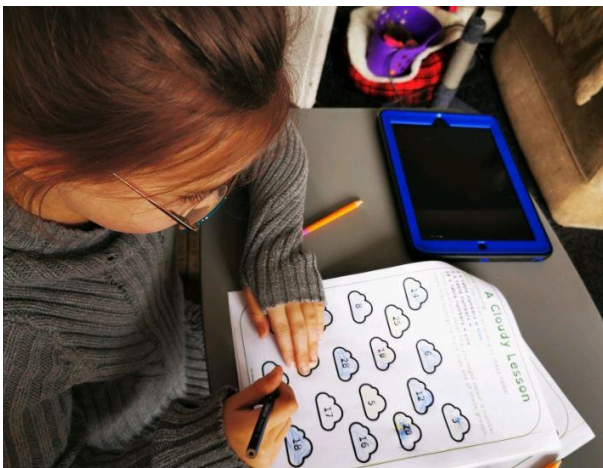

Work to celebrate

We are reading so much using EPIC! It won't be long until we get our 250 book badge. A huge 1,762 minutes spent reading in year 2.

Jackson enjoyed his school work this week and has worked on EPIC, MyMaths and much more!

Charlotte worked very hard on her work to do with our English film this week.

Rebecca completed all her MyMaths by Tuesday and asked for extra!!

Rayyan has done some excellent work on shapes and completed all his MyMaths.
