The big question in Reception: How can I be a positive member of my class?

Prayer
Jesus help my eyes to see,
all the good you send to me,
Jesus help my ears to hear,
Calls for help from far and near,
Jesus help my feet to go,
In the way that you will show,
Jesus help my hands to do,
All things loving, kind and true,
Jesus may I be helpful too,
Growing everyday closer to you

Growing	g everyday c	loser to you

The big question in Year 1: Who am I, who can I be and how do I belong?

Children will have an understanding of what the future can bring for them. They will learn about different roles that people have in life and think about what that role will be for them. They will build on prior knowledge and learn to be curious and ask questions in order to discover more about themselves. They will begin to find out what they are good at and what they enjoy and learn to use their skills to help them improve and progress.

1 prayer

Bless all the people who love me dear God And bless all the people I love. Help us to help one another each day And make earth like Heaven above.

The big question in Year 2: How do we change the world around us? Why should we care for our world?

Children will develop their understanding of belonging and how to look after the world they live in. They will have an understanding of their locality and geographical processes, and the lives of historical figures. They will know how people have influence on the world and how we should appreciate what we have. They will understand how it is important to be thankful for the natural world, understanding that what we do matters and we can change things for the better.

Year 2 Prayer

Thank you, for the beautiful world you made for us to live in.

Please help us to take care of it and think about the things we can reuse.

Help us to look after the world well for the people who will live in it after us.

Amen
